

Cardgains System and Information

You may already be aware of the Cardgains operation within the independent retailing arena. This brochure has been designed to give a clear picture of what we do and how, as a member, you can enjoy the many benefits.

Company Ownership

- Cardgains is a trading division of Bridewell UK and was established in 1989.
- The benefits have helped 1000's of independent retailers across many sectors.
- Excellent support, relationship building and commitment from suppliers and members.
- Not privately owned; solely owned by the retail members who have chosen to buy shares.
- 188,000 shares in circulation across both Bridewell UK and Cardgains members.
- Dividend issued to all shareholders each year dependent on the success of the Company.
- Board: 2 executive directors and 2 non-executive directors who are trading members.

Supplier Portfolio and Trading Terms

- An impressive and eclectic mix of suppliers from all categories within independent stores including main card publisher, specialist and boutique greeting cards, plus a huge selection of gifts, candles, wrap, stationery, party, chocolates, jewellery, crafting and service providers.
- The portfolio is designed to reflect current marketplace trends and the retail environment.
- Negotiated preferential member trading terms and bonus opportunities.
- Members receive the best discounts, service and prices available.

Cardgains System

- Ordering and payment system operates on a monthly cycle.
- Members place orders direct with suppliers using their unique Cardgains member number.
- Suppliers deliver products and send an invoice to the member at the agreed Cardgains price.
- Suppliers send a statement to Cardgains showing all deliveries from the previous month.
- Member receives a composite statement on or around the 10th of the month, showing all their individual deliveries to stores from the previous month.
- Members can raise any queries with their book-keeper between the 10th and the 18th of the month.
- Members pay Cardgains in full by the 18th of the month; so one monthly direct debit.
- Cardgains pays the suppliers for deliveries during the previous month.
- Seasonal product is held on the statement until the due date as agreed.
- 2% surcharge imposed if a payment is late.

In order for the system to work effectively, members must understand their commitment to pay their statement by the designated date. If members don't pay, they are letting down the other members and the Cardgains concept as a whole.

Charges

- Joining fee £100+VAT
- Cardgains monthly management charge (when the system is used) £20 including VAT
- First 3 months management charge free of charge, given in vouchers

Bonus Opportunities

- Cardgains offers a retro bonus scheme of up to 2½% of the member's total turnover.
- The entire gross turnover going through the account is used to calculate the bonus.
- Multiple shops are added together into one total figure.
- Paid back to members in March of the following year, by cheque, account credit or shares (if available).
- Many of the Cardgains suppliers also offer their own individual retro bonus opportunities, giving further benefits to members who use the scheme.

Cardgains Sales & Marketing Activities

- Continually striving to support both members and suppliers.
- The 2019 30th anniversary reaffirms the benefits of Cardgains and confidence in long term relationships.
- 'Cyril' Service'; marketing mascot in various guises promoting Cardgains, our members and suppliers.
- Activity in the social networking arena on Twitter and Facebook.
- New annual marketing theme & initiatives each year with new and interesting programmes to benefit all.

Cardgains website - www.cardgains.co.uk

- Contemporary, user-friendly, informative site.
